Das Wetter ist endlich wieder gut und wir machen Picknik. Aber die Sonne treibt nicht nur uns aus dem Haus. Jede Menge kleine Tiere sind auch unterwegs... Was wir da wohl alles so auf unserem Sandwich finden...

Spielanleitung:

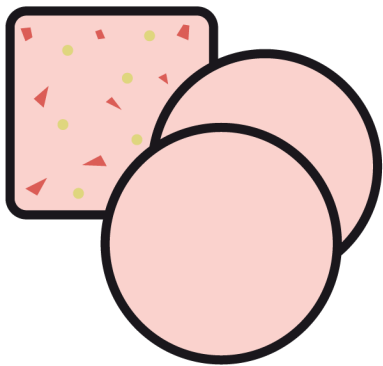

Toastkarten und Essenskarten jeweils auf einen Stapel legen (Essenskarten verdeckt). Jeder Spieler nimmt sich eine Toastkarte. Die Spieler decken nacheinander jeweils eine Essenskarte auf und legen sie auf ihr Toast. Liegen 3-5 Zutaten auf jedem Toast, kommt eine Toastscheibe als Deckel drauf. Die Spieler tauschen ihre Sandwiches aus. Nun wird geraten! Weiß jeder noch, was auf seinem Sandwich lag? Die anderen können anhand der ausgetauschten Karten kontrollieren. Jeder Spieler sammelt seine erratenen Karten. Die Toastkarten kommen zurück auf den Stapel. Das Spiel beginnt von neuem. Sind alle Karten aufgebraucht wird gezählt. Wer hat wohl die meisten? (Für Gruppenangebote ggf. zwei Kartensätze ausdrucken.)
